About Us

Packed With Care, Built on Trust

We're a family-run business that began in 1998 with a straightforward goal: to support those who serve others. Since then, SP International Industries has grown into a full-service manufacturer of disposable food packaging in India.

A Journey of Care and Growth From One Family's Vision to a Global Mission

Established in 1998 as International Traders, we began as a modest family venture. Over the years, we found our true calling in food packaging, and today, we're a trusted name built on people, purpose, and a promise to serve with heart.

INTERNATIONAL INDUSTRIES

OUR VISION, MISSION & GOALS

Vision

To facilitate packaging innovations that celebrate people's stories, power businesses, and safeguard the Earth's resources for generations to come.

Mission

We craft innovative, sustainable, and high-quality packaging that preserves what truly matters - food, hygiene, important moments, and the future of our planet.

Goals

We're dedicated to designing sustainable and customised packaging solutions, and to making our customers stand out in the marketplace. We translate trends into innovative packaging solutions, enabling you to enter new markets and reach new customers.

Sustainability Is The Heartbeat of Our Future

Together, we can build a world where products and the planet thrive in harmony.

● Packaging that Nurtures the Earth

● Ink that Respects Nature

- Free from toxic chemicals for a healthier planet.
- Crafted from natural, eco-friendly substances.
- Safe, sustainable printing for all applications.

● From Waste to Wonder

- Easy-to-Recycle PE-Lined Materials.

- Microwave, Oven, Grill, and Freezer-Safe.

- 100% Recyclable Aluminium.

● Our Commitment to Zero CO2 Footprint

We're not just reducing emissions—we're changing the way the world thinks about packaging.

- A relentless focus on reducing material consumption.
- Prioritizing renewable and recyclable resources.
- Leading the charge towards a circular economy.
- Empowering businesses to reduce their environmental impact.
